Hi Nathan - I sent the note below to Susan Oetker and got an out of office message back - indicating she'd be out of the office until 6/15. Her name was referenced on the receipt. I checked with Tim Merritt but he wasn't sure who is acting Chief there in R2 - so your name came to my mind.

Who would be best to talk with about where to send/forward the receipt that came to us?

Thanks,

Hi Susan - We received a receipt (I believe) from the San Antonio Express News for publication of the public notice announcing the reopening of the public comment period for the Texas hornshell proposed listing rule.

If you get a second can you give me a call - or shoot me a note - to let me know what you would like me to do with it?

Thanks,
